A 2 Z Press has a collection of children's books that are 'just for fun' for our young readers.

There are many exciting titles to choose from at [Bestlittleonlinebookstore](#) and [Amazon](#).

This week *Animal Academy*, *Enchanting Mythical Creatures*, *Cosmo's New Bike*, and *Cosmo's Soccer Shoot-Out!* Are being presented for parents to have delightful children's picture books to choose from to share with their young ones learning to read and in search of quality reading for children.

These books are filled with colorful pictures and wonderfully crafted stories to bring messages filled with happiness and positive values to instill in children.

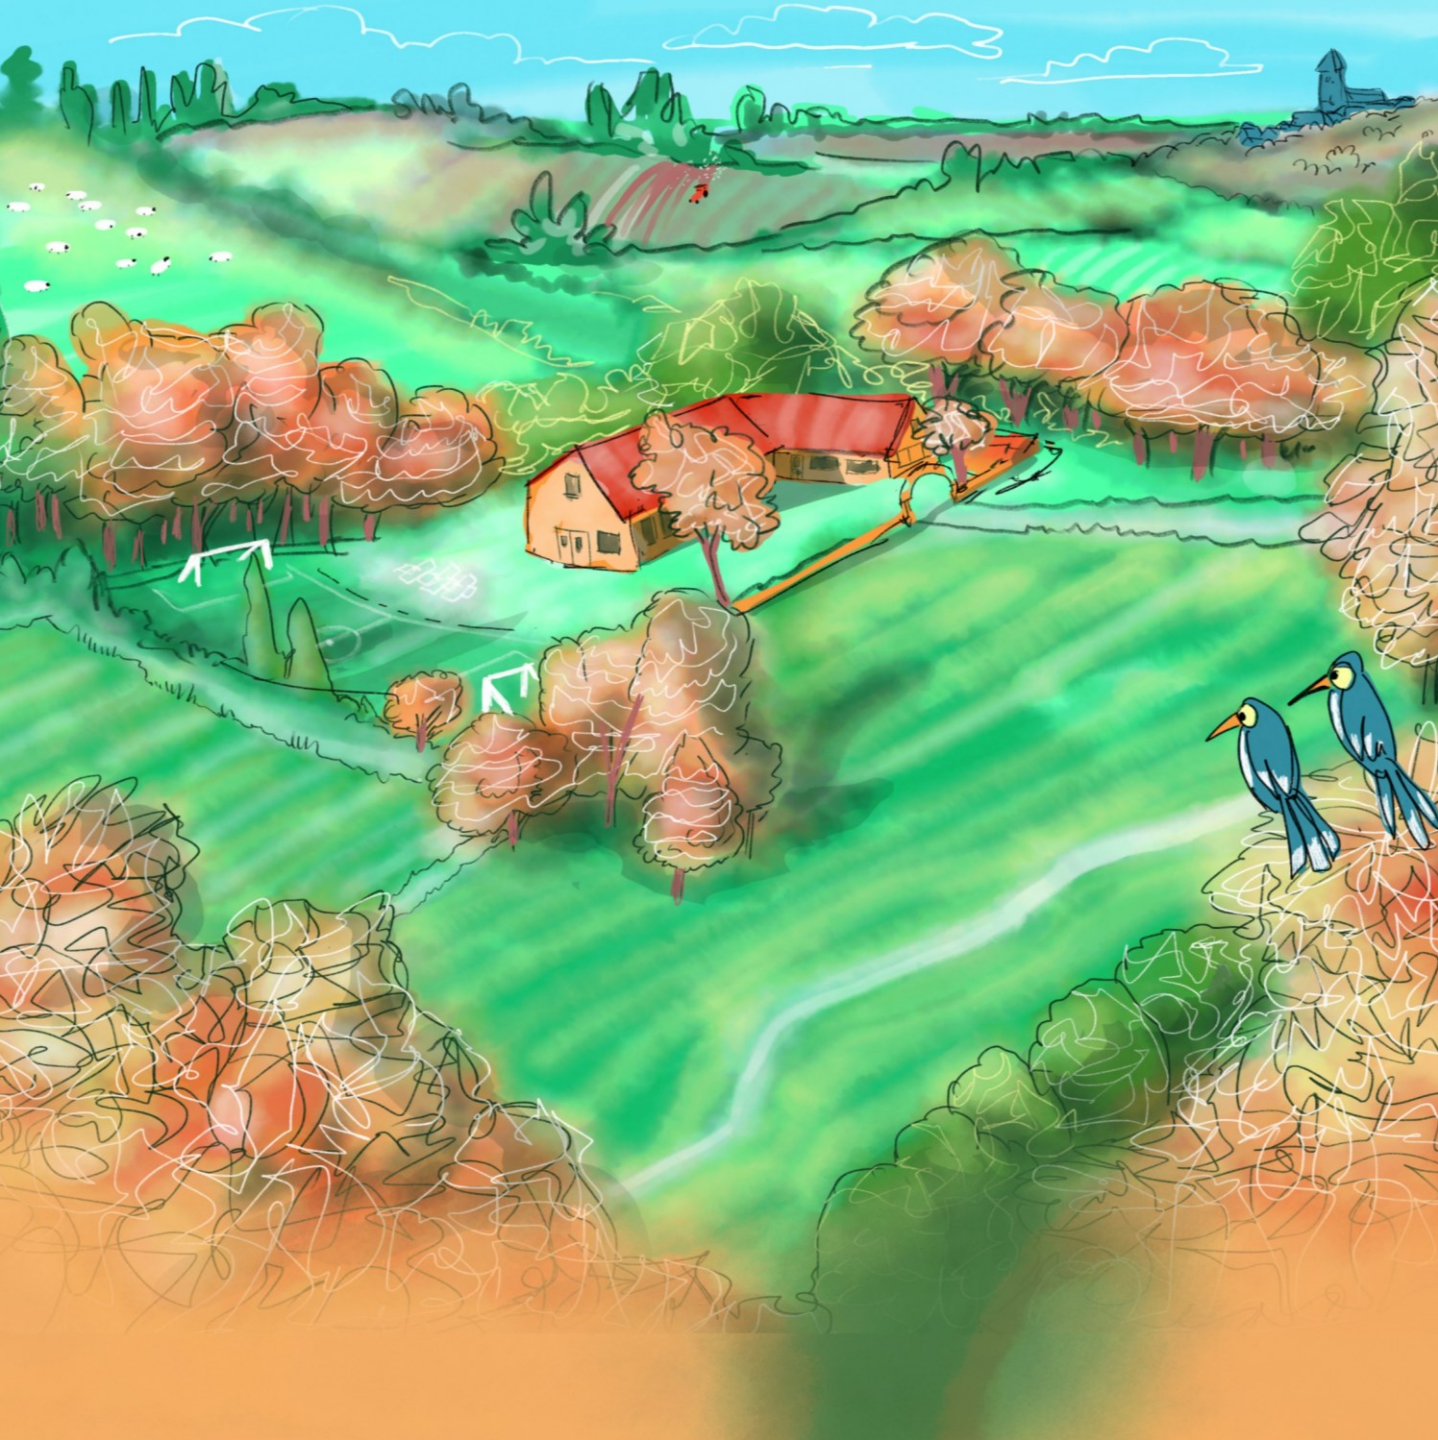

Take a look at our books!

Animal Academy is a unique picture book about how all the different animals come to school! Some parents object, but the animals and children win out!

The Manor County
School was run by
Mr. and Mrs. Jones and
was so fair,

It sat in the middle of
sparkling farms
and oh how the children
loved it there.

An email arrived saying,
*You need more pupils or
you'll have to shut down,
And the children will
have to go to the Orwell
School ten miles out of
town.*

Mr. and Mrs. Jones
looked so sad.
Then, suddenly, two
saucy lambs bounced
into the class,
“We’ll sit beside Molly
Mae,” and they smiled
as they sprang past.

“The lambs are Rhonda
and Rita,” said the
Colorful Lady at the
door.

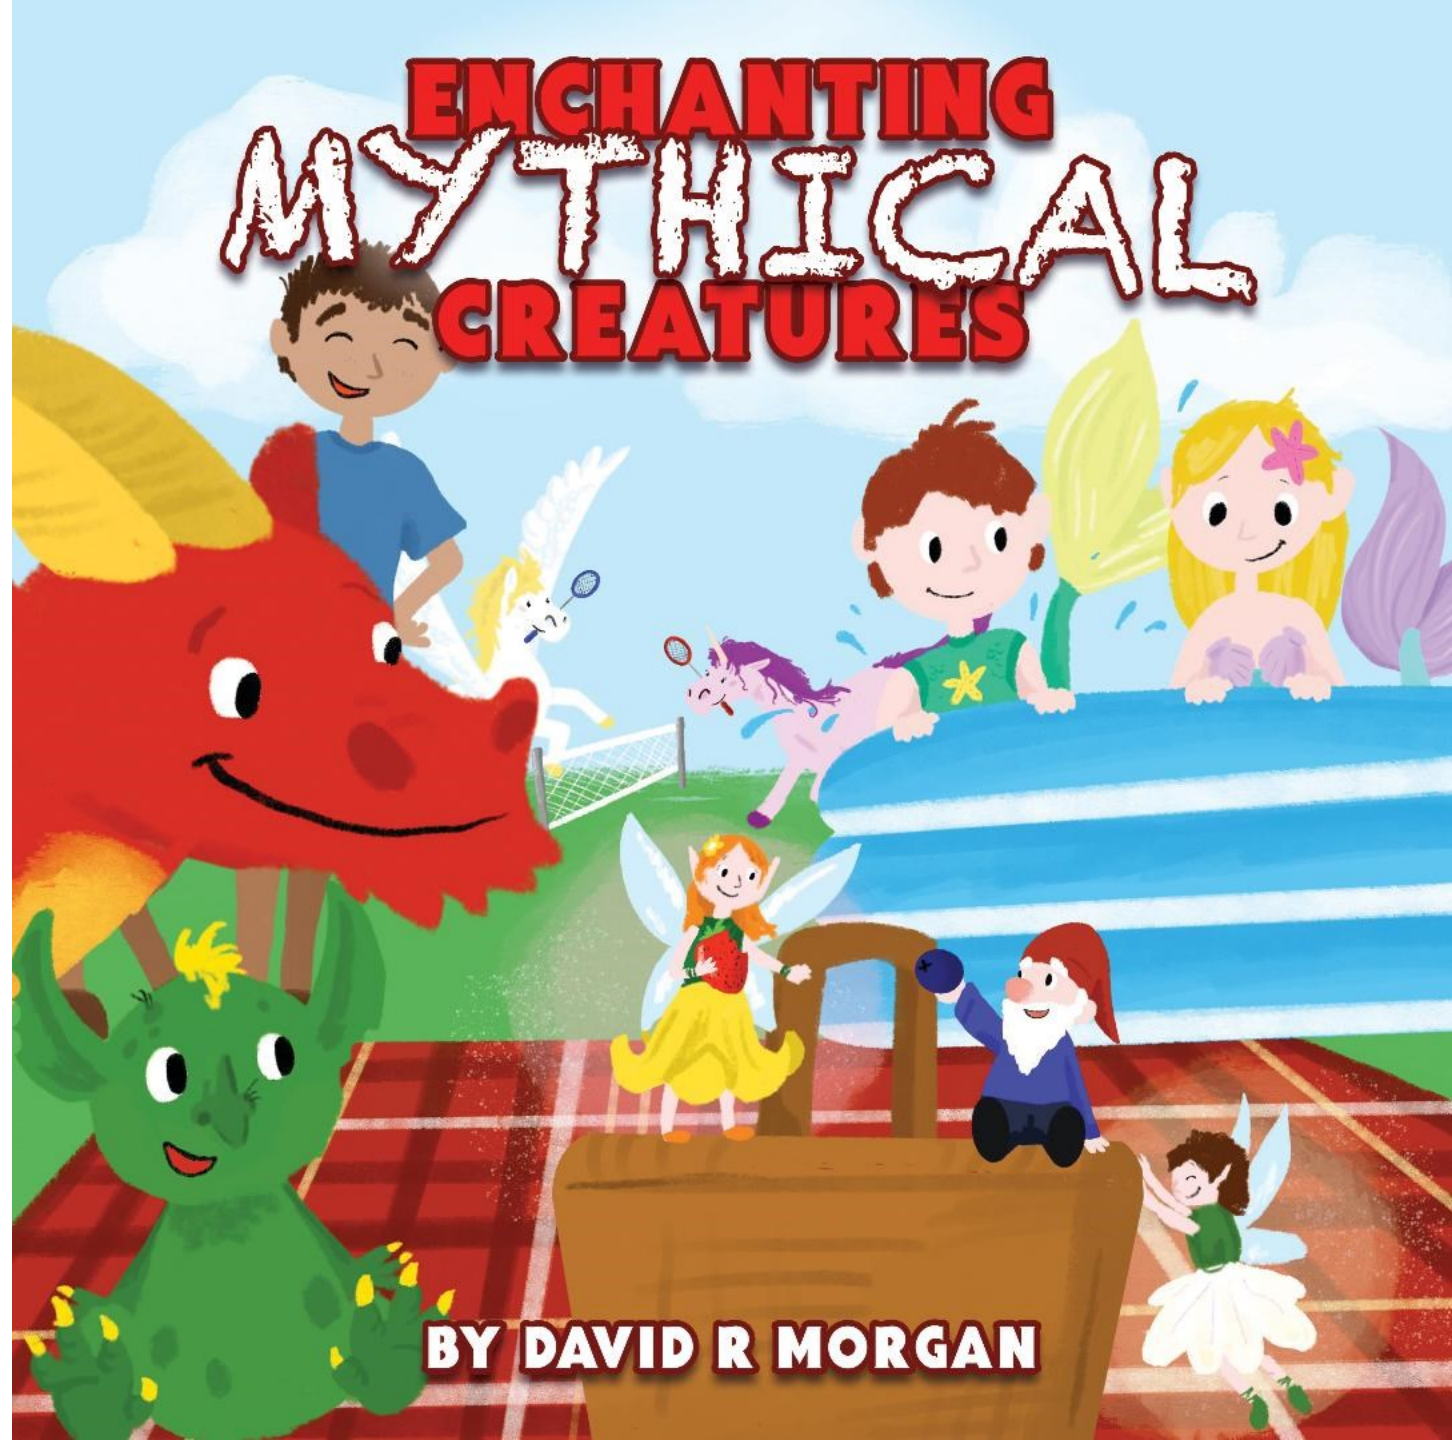

“They’re eager to learn
and tomorrow there will
be more!”

Come! See how
the animals and
the children all
learn at the
**Animal
Academy!!**

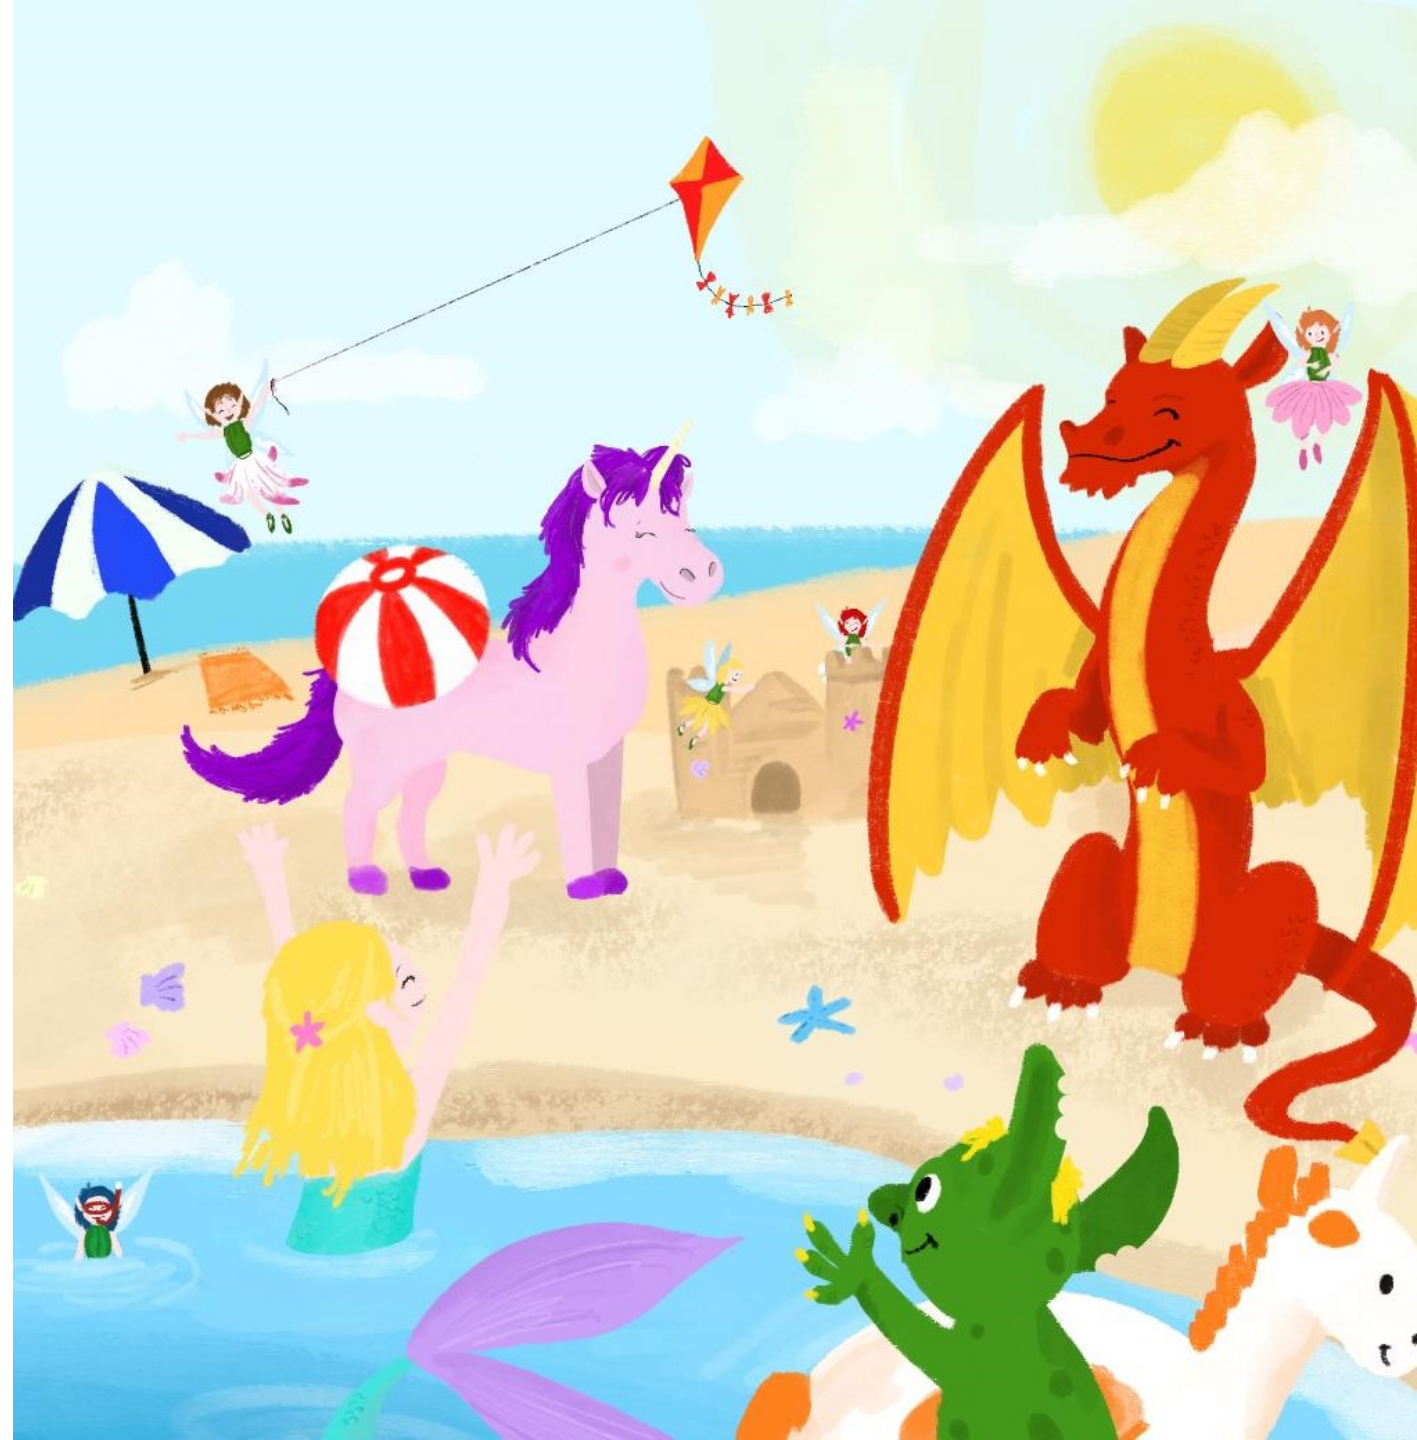

Enchanting
Mythical Creatures
is a cute take on all
the creatures from
mythical literature.
Come and take a
look!

A magical creature is
a magical beast and one,

That really only
exists just for fun!

Like a Greek Centaur
who is half human and
half horse,

Or a Scandinavian
troll - who
is very tall and ugly
of course.
AND MORE!!
COME SEE!

COSMO'S NEW BIKE

BY DAVID R MORGAN

Cosmo's New Bike is about Cosmo being teased by the cats for having a run-down bike. Then, a new bike with super powers appears!

Friday after school,
Cosmo the
Cavapoochon
was riding his old bike
in the park.

Just then, Perdita the Persian and her cat gang rode their bikes close to Cosmo.

“Hey, doggy!” purred Perdita. “Watch this. I bet you can’t do this on your old bike.” Perdita rode her bike really fast and then she made her bike jump, twisting it cleverly in the air.

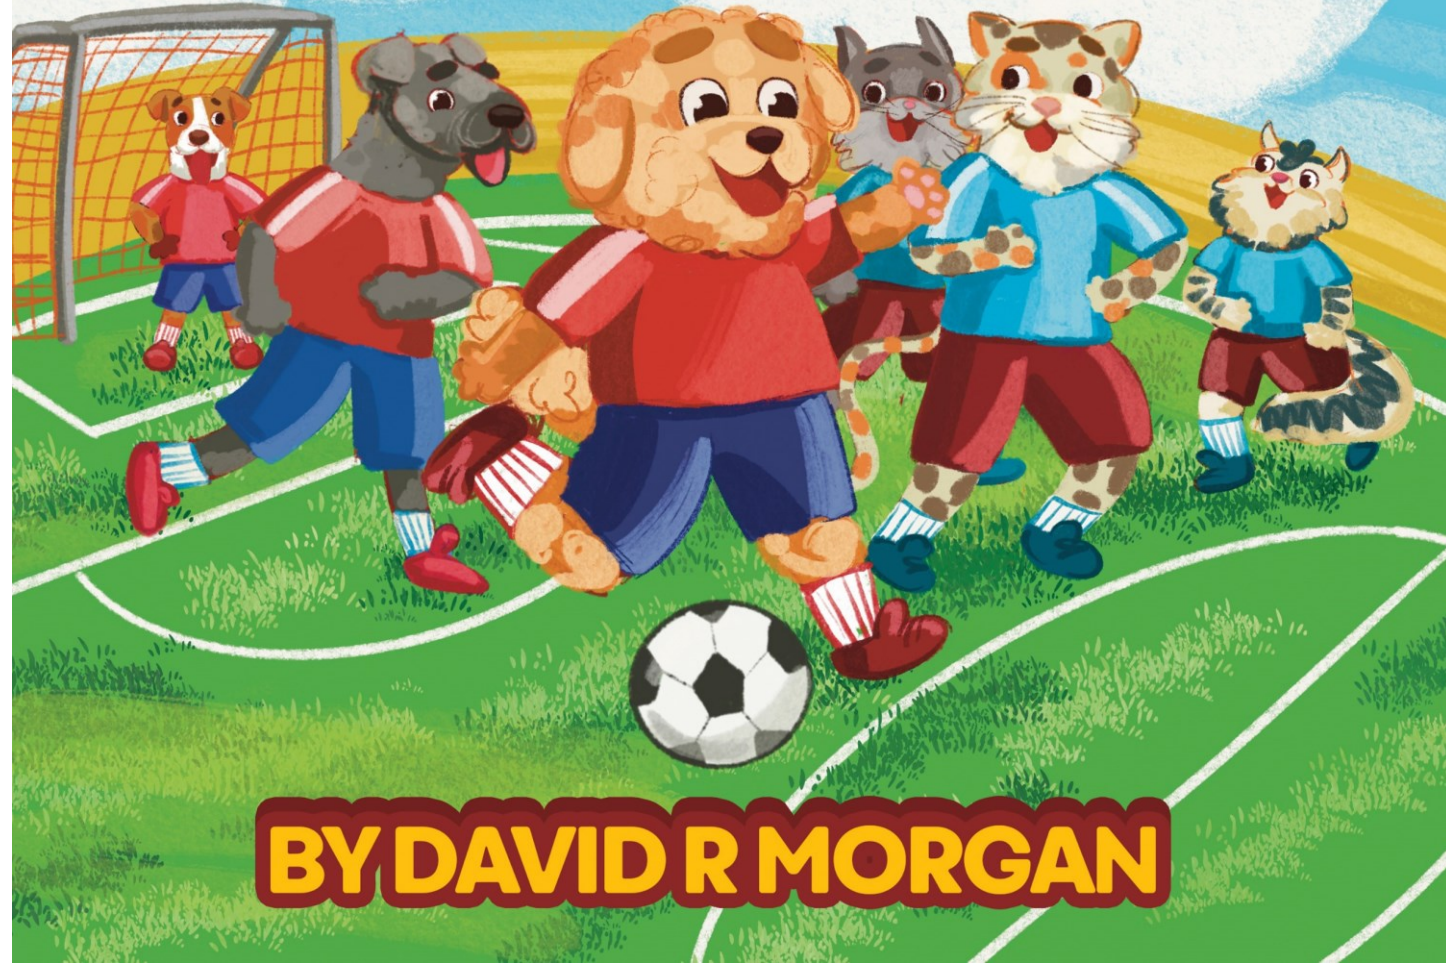

“I’ll bet I can do that,”
growled
Cosmo softly. “Watch
this,” he said
as he rode his old bike as
fast
as he could and twisted
in the air.

Cosmo's New Bike is super!
And does what his other
bike could not do to show
the cats he is able to do
tricks too!

COSMO'S SOCCER SHOOT-OUT

BY DAVID R MORGAN

Cosmo's Soccer Shoot-Out is about the cats challenging the dogs to soccer! May the best team win!

It was the
lunchtime soccer
game.
The Blue Cats and
the Red Dogs were
on the school field.

“The Red Team is a load of rubbish!” shouted Daelyn. “No ball gets past me!”

“I’m Daelyn, the Devon Rex, the best goalkeeper ever in Pets’ Hill High!”

All the dogs on the Red Team were really cross. Ravi was cross. Kim the Kerry Blue Terrier was really cross. And Cosmo was really, really cross. “Daelyn!” barked Cosmo, “I want to tell you that next Friday lunchtime, the Red Team will beat you!”

Daelyn laughed so much
that she fell over.

“Says who?” hooted
Daelyn.

“Says me!” growled
Cosmo.

“And me!” growled
Ravi.

“And me!” growled Kim.

“Ok. We’ll have a big
match at lunchtime on
Friday,”
purred Daelyn
softly. “And if your
dodgy doggy
Red Teamy weemy wins
... I’ll eat my shirt!”
“You’re on puddy cat!”
howled the Red Team.

David R Morgan lives in England. He is a talented full-time teacher and writer.

He has written music journalism, poetry and children's books. His books for children include : 'The Strange Case of William Whipper-Snapper', three 'Info Rider' books for Collins and 'Blooming Cats' which won the Acorn Award and was animated for television. He has also written a Horrible Histories biography : 'Spilling The Beans On Boudicca' and stories for Children's anthologies.

For the last 7 years he has been working on his Soundings Project with his son Toby, performing his own poetry/writing to Toby's original music. This work is on YouTube, Spotify and Soundcloud.
